2024 Blue Advantage Provider Sections

Introduction

This directory provides a list of Blue Advantage's network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. The PCP may be a provider who specializes in Family or General Practice, or Internal Medicine. The PCP will be the provider who will provide, arrange or authorize all routine medical care that you may need while you are a member of our plan. If you have questions about selecting or changing your PCP, please call Blue Advantage's Customer Service Department at 1 (866) 508-7145.

The network providers listed in this directory have agreed to provide you with your health care services. Other providers are available in our network. However, HMO and PPO plan networks differ:

HMO members may go to any of our network providers listed in this directory.

PPO members may go to any of our network providers listed in this directory. However, providers marked with an "‡" will be treated as out-of-network for PPO members and the out-of-network cost share will apply. In cases where out-of-network providers submit a bill directly to you, you should **not** pay the bill but should submit it to the plan for processing and determination of your liability, if any. Contact Blue Advantage Customer Service for more information.

HMO plan members must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis services or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Blue Advantage will be responsible for the costs.

PPO plan members may get covered services from out-of-network providers. With the exception of emergencies, it may cost more to get care from out-of-network providers. Out-of-network providers are under no obligation to treat Blue Advantage (PPO) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service department toll-free at 1 (866) 508-7145. TTY users should call 711. Customer Service will operate seven (7) days a week from 8 a.m. to 8 p.m. CST, from October – March. After March, Customer Service will operate five (5) days a week, Monday - Friday from 8 a.m. to 8 p.m. CST. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

Section 3

Blue Advantage Pharmacy Sections

Introduction

This section provides a list of Blue Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Advantage's formulary.

When this pharmacy section refers to "we," "us", or "our," it means Louisiana Blue. When it refers to "plan" or "our plan," it means Blue Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. This list is current as of September 16, 2024. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this section. Pharmacies may have been added or removed from the list after this section was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. **We have marked these pharmacies with the symbol «** to distinguish them from other pharmacies in our network that offer standard cost-sharing.

Special note: Some Blue Advantage Group Medicare Advantage plans do not offer preferred cost-sharing when you use a preferred pharmacy. You can still use a preferred pharmacy but may not pay less for your prescriptions than you would at a non-preferred network pharmacy. If you are a Blue Advantage Group Medicare Advantage member, read your plan's Benefit Documents to see if this applies to you.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy section.

This pharmacy section is for the service area listed on the front cover, which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this section, please contact us toll-free at 1 (866) 508-7145. (TTY users should call 711.) Our phone lines are open 8 a.m. to 8 p.m. CST, 7 days a week from October – March and 8 a.m. to 8 p.m. CST, Monday – Friday from April – September.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Advantage.

This pharmacy section includes listings of the following types of pharmacies: Retail, Home Infusion, Long-Term Care, and Mail Order. Pharmacies are grouped by type and are listed alphabetically by parish and then by pharmacy name. **Pharmacies that provide an extended days' supply of medications are identified with the symbol ☒.**

Home Infusion Pharmacies

Blue Advantage will cover home infusion therapy if:

- Your prescription drug is on Blue Advantage formulary or you have a formulary exception
- Blue Advantage has approved your prescription drug for home infusion therapy; and
- Your prescription is written by an authorized prescriber.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Blue Advantage through the facility's long-term care pharmacy or another network long-term care pharmacy.

For information on more pharmacies in our plan network, please contact us toll-free at 1 (866) 508-7145. (TTY users should call 711.) Our phone lines are open 8 a.m. to 8 p.m. CST, 7 days a week from October – March and 8 a.m. to 8 p.m. CST, Monday – Friday from April – September.

To obtain this document in an alternate format or language, please contact Customer Service at the number listed above.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at 1 (855) 690-8352 (TTY: 1 (800) 716-3231). If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1 (855) 690-8352 (TTY: 1 (800) 716-3231).

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us toll-free at 1 (855) 690-8352 (TTY: 1 (800) 716-3231), 7 days a week.
