You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare Advantage health plan, such as Blue Advantage.

Tips for comparing your Medicare choices:

This Summary of Benefits booklet gives you a summary of what Blue Advantage covers and what you pay.

- If you want to compare our plan with other Medicare Advantage health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder at www.medicare.gov/plan-compare.
- If you want to know more about the coverage and costs of Original Medicare, look in your current **"Medicare & You"** handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Contact us

Please contact our Customer Service number at 1-866-508-7145 for additional information. (TTY users should call 711.) Our phone lines are open 8 a.m. to 8 p.m. CST, 7 days a week from October – March and 8 a.m. to 8 p.m. CST, Monday – Friday from April – September. You may also visit our website at www.bcbsla.com/blueadvantage.

Who can join?

To join Blue Advantage (HMO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Which doctors, hospitals, and pharmacies can I use?

Blue Advantage (HMO) has a network of doctors, hospitals, pharmacies, and other providers that can be found on our website at www.bcbsla.com/blueadvantage. If you use providers that are not in our network, the plan may not pay for these services.

What do we cover?

Like all Medicare Advantage health plans, we cover everything that Original Medicare covers - *and more.*

- **Our plan members get *all of the benefits covered* by Original Medicare.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get *more than what is covered* by Original Medicare.** Some of the extra benefits are outlined in this booklet.

What drugs do we cover?

We cover Part D drugs. In addition, we cover Part B drugs such as most oral chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.bcbsla.com/blueadvantage.
- Or call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each prescription drug into one of five "tiers." You will need to use our formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible, if applicable: Initial Coverage, Coverage Gap, and Catastrophic Coverage. If you have questions about the different benefit stages, please contact the Plan for more information or access the *Evidence of Coverage* on our website.

If an in-network pharmacy is not available, you may get drugs from an out-of-network pharmacy. Your prescription cost may be more at an out-of-network pharmacy than at an in-network pharmacy. **Some generics may be included on Tier 3.						
Stage 3: Coverage Gap						
Most Medicare drug plans have a coverage gap (also called the "donut hole"). The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches $4,660. After you enter the coverage gap, you will continue to pay your regular copay for Tier 1 and Tier 2 generics. For drugs in Tiers 3, 4, and 5 you will pay 25% of the plan's cost for covered generic drugs and 25% of the plan's cost for covered brand-name drugs until your true out-of-pocket costs total $7,400. Not everyone will enter the coverage gap.						
Stage 4: Catastrophic Coverage						
After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $7,400, you pay the greater of: • 5% coinsurance, or • $4.15 copay for generic drugs (including brand drugs treated as generic) and a $10.35 copay for all other drugs.						

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or whether the prescription is a short-term (1-month) supply or long-term (3-month) supply.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-800-363-9152 (TTY users should call 711).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.bcbsla.com/blueadvantage or call 1-800-363-9152 (TTY users should call 711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.

If selecting Blue Advantage (HMO):

- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

If selecting Blue Advantage (PPO):

- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
