The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call Customer Service and request the *Evidence of Coverage*.

## **You have choices about how to get your Medicare benefits**

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare Advantage health plan, such as Blue adVantage.

## **Tips for comparing your Medicare choices:**

This Summary of Benefits booklet gives you a summary of what Blue adVantage covers and what you pay.

- If you want to compare our plan with other Medicare Advantage health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder at [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare).
- If you want to know more about the coverage and costs of Original Medicare, look in your current “**Medicare & You**” handbook. View it online at [www.medicare.gov](http://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

## **Contact us**

Please contact our Customer Service number at 1-866-508-7145 for additional information. (TTY users should call 711.) Our phone lines are open 8 a.m. to 8 p.m. CST, 7 days a week from October – March and 8 a.m. to 8 p.m. CST, Monday – Friday from April – September. You may also visit our website at [www.bcbsla.com/blueadvantage](http://www.bcbsla.com/blueadvantage).

## **Who can join?**

To join Blue adVantage Giveback (HMO-POS), Blue adVantage Classic (HMO-POS), or Blue adVantage Liberty (PPO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

---

## Which doctors, hospitals, and pharmacies can I use?

Blue adVantage Giveback (HMO-POS), Blue adVantage Classic (HMO-POS), and Blue adVantage Liberty (PPO) have a network of doctors, hospitals, pharmacies, and other providers that can be found on our website at [www.bcbsla.com/blueadvantage](http://www.bcbsla.com/blueadvantage). Because our plan is an HMO-POS plan, you can use Point-of-Service (POS) providers that are outside our network for an additional cost. The maximum benefit for services rendered by POS providers is \$5,000.

## What do we cover?

Like all Medicare Advantage health plans, we cover everything that Original Medicare covers - *and more*.

- **Our plan members get *all of the benefits covered by Original Medicare*.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get *more than what is covered by Original Medicare*.** Some of the extra benefits are outlined in this booklet.

## What drugs do we cover?

We cover Part D drugs. In addition, we cover Part B drugs such as most oral chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary and any restrictions on our website, [www.bcbsla.com/blueadvantage](http://www.bcbsla.com/blueadvantage).
- Or call us and we will send you a copy of the formulary.

## How will I determine my drug costs?

Our plan groups each prescription drug into one of five "tiers." You will need to use our formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the three drug payment stages: the Yearly Deductible stage (if applicable), the Initial Coverage Stage, and the Catastrophic Coverage stage. If you have questions about the different benefit stages, please contact the Plan for more information or access the *Evidence of Coverage* on our website.

This document is available in other formats such as Braille and large print. This document may be available in a non-English language. Please contact our Customer Service number at 1-866-508-7145 for additional information. (TTY users should call 711.) Our phone lines are open 8 a.m. to 8 p.m. CST, 7 days a week from October – March and 8 a.m. to 8 p.m. CST, Monday – Friday from April – September. If an in-network pharmacy is not available, you may get drugs from an out-of-network pharmacy. Your prescription cost may be more at an out-of-network pharmacy than at an in-network pharmacy. **Some generics may be included on Tier 3.									
<b>Stage 3: Catastrophic Coverage</b>									
After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$2,000, you pay nothing.									

For each covered insulin product, you won't pay more than \$35 for a 1-month supply, \$70 for a 2-month supply, and \$105 for a 3-month supply, regardless of the cost-sharing tier, even if you haven't paid your deductible.

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or whether the prescription is a short-term (1-month supply) or long-term (3-month supply).

## **Pre-Enrollment Checklist**

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-800-363-9152 (TTY users should call 711).

### **Understanding the Benefits**

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.bcbsla.com/blueadvantage](http://www.bcbsla.com/blueadvantage) or call 1-800-363-9152 (TTY users should call 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### **Understanding Important Rules**

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
